This shit is incredible.

'When we were intellectually backwards we thought that female people should have their own word, now we are enlightened we realise the word we used for female people actually means 'person who likes pink sparkly shit.'

@hatpinwoman

Bloody good period wrote to JKR

"The fact of the matter is that yes,when we as a society were woefully uneducated,there used to be a word for people who menstruated and that word was "women"."

60 people are Tweeting about this

So, the condescending piety was too much.

I had to get the coloured pens out.

stop using
FULFIL A CERTAIN FUNCTION. THEY DO NOT STOP HAVING THAT FORM WHEN THEY ARE
FULFILLING THAT FUNCTION. You wouldn't win be able to make the statement
below if you
couldn't tell WHICH
PEOPLE ARE FEMALE.

None of the statements
would make ANY SENSE
What if not for
the fact that you
actually understand
perfectly well that
female people are
the ones who can
menstruate.

1. Only half the female population is of reproductive age so half do not menstruate
2. A significant part of the female reproductive population use hormonal medications/ devices that prevent menstruation and are therefore not people who menstruate
3. A fairly significant part of the female reproductive population does not menstruate for health or exercise reasons
WHAT IS THIS FEMALE POPULATION OF WHICH YOU SPEAK ???
4. A small part of the female reproductive population is pregnant or breastfeeding and so, are not menstruating
5. A small part of the female reproductive population has experienced early menopause and so, are not menstruating
6. A small part of the female reproductive population cannot menstruate
7. A small part of this population do not identify as 'women' or 'girls'

Generalisations about an entire gender are impossible (and usually dodgy). You are right that the term TERF (Trans Exclusionary Radical Feminist) should not apply to you. While your incorrect views on menstruation certainly exclude trans women, feminist is not a term we think applies to anyone who does not stand for ALL women, and ALL people, including all those who menstruate.

We implore you to spend some time researching, and learning from the generosity of trans and non-binary activists and academics, a small number of whom we have listed below.

Kenny Ethan Jones - the first trans man to front a period campaign
Munroe Bergdorf - activist and model
Charlie Craggs - activist and founder of Nail Transphobia
Juno Dawson - Writer
Jamie Windust - Writer and activist
Jono Roche - Writer
Freddy McConnell (the "Seahorse" dad)

NOT ALL FEMALE PEOPLE MENST
ALL PEOPLE MENSTREUATE AS FEMALE.
SO. FUCKING. IT TO. GRASP

So feminism stc for white supremacy. Trump supporters too. UM. THAT'S NOT WHAT MEANT TO SAY SORRY

'Educate yourself' SHE DID. SHE THINKS YOU'RE FULL OF CRAP.

Female is not a gender =

It's a tool for people who are committed to the liberation of female people from male dominance. And you are not the feminist looking gatekeepers.
